INITIAL ESTATE PLANNING CONSULTATION

I look forward to seeing you at our initial consultation meeting. During this meeting, I will examine your estate planning goals and discuss strategies to achieve them. To ensure that your consultation is meaningful, please complete the enclosed **Estate Planning Worksheet** and return it to our office along with any requested documents.

The Estate Planning Worksheet will help guide our first meeting and will facilitate the best recommendation for planning, based on your individual situation. While you only need to complete the first step at this time, to help you understand what the process will look like from start to finish, the typical steps in the Estate Planning process are provided on the following page.

As we establish and maintain your file, it would be greatly appreciated if you are able to provide a personal photograph. This allows our office staff to put a face to a name and fosters a more individualized connection.

You have already taken the first step toward achieving your personal estate planning goals. It is my pleasure to assist you with this important process. If you have any questions, please contact our office at (715) 726-3070.

Sincerely,

Anthony J. Schmoldt

Estate Planning Process Overview

- 1) Complete the enclosed Estate Planning Worksheet and return it to our office, along with any other requested documents, such as deeds and previous estate planning documents. If you cannot find your deed, a copy can be obtained from your local courthouse in the Register of Deeds Office. If you prefer, our office can obtain a copy on your behalf for an additional \$25 fee per deed.
- 2) Attend the Initial Estate Planning Consultation appointment.
- 3) Make payment and schedule a signing appointment, after which our office will draft your documents and prepare them for signing.
- 4) Attend the Signing Appointment to review and sign your estate planning documents.
- 5) If a trust plan is completed, your assets will need to be put into the trust. This process is called funding. You can choose to do this independently; however, in the event that you would like our office to fund the trust on your behalf, additional information will be requested at this time, and additional fees will apply.
- 6) Our office will then finalize all of your documents to confirm that everything is complete, properly recorded, and submitted to any requested third parties (e.g., health care document to preferred medical facility).
- 7) You will be contacted to pick up your finalized Estate Planning Portfolio.
